Prices shall be those ruling at the time of order, but we reserve the right to revise quoted prices in the event of any change in cost prices by informing the purchaser in writing prior to delivery. Unless otherwise stated, prices are for delivery in one consignment, on the U.K. mainland, and are subject to the addition of whatever rate of tax may be applicable at the time of invoicing.

## RISK and OWNERSHIP

The risk in the goods passes to the buyer upon delivery but ownership of the goods shall not pass to the purchaser until the purchaser has paid to D.A.Cooke the total purchase price including V.A.T. If such payments are overdue, in whole or in part, D.A.Cooke may (without prejudice to any other rights) repossess or resell the goods or any of them and may by its servants or agents enter upon the purchasers premises for that purpose. Payment shall become due immediately upon commencement of any act or proceedings concerning the solvency of the purchaser.

## TERMS

Unless otherwise agreed, payment shall be made at the end of the month following the month of delivery. In the event of payment in full not being made according to the agreed terms, we will charge 2% per month on the outstanding balance until full payment has been received. If payment is not made by the due date, in the case of orders involving more than one delivery, we shall at our option be entitled to treat the contract as repudiated by the purchaser.
