# CHRISTMAS COLLECTION 2025

RSW INTERNATIONAL LTD

# RSW INTERNATIONAL

RSW International Ltd have become synonymous with Christmas and have helped bring dinner parties to life with exquisite crackers for over 36 years. Originally hand-crafted and hand-finished here in the U.K, demand for our crackers required us to move our production to the Far East and we now enjoy global distribution whilst continuing to offer the same quality hand-finished product our customers have come to expect from us.

We offer a wide variety of ranges to accommodate various price points and an array of designs to please differing tastes. Continuing our 2024 commitments, we are helping our customers to reduce, re-use and recycle more.

The range features crackers, gift bags, roll wrap, wrap accessories and cards.

We have made packaging acetate free where possible, moving towards a more sustainable Christmas range.

So whether you wish to purchase from our pre-prepared ranges, want to buy in volume with an offering of own label or bespoke designs tailored just for you by our in house team, we have all you need to fulfil your Christmas cracker sourcing.
